Nasser Ibrahim Bash

Nasser Ibrahim Bash

Dear Hiring Manager ,

My name's Nasser and I'd like to help your company hit and exceed their goals as a Frontend Developer. I've worked with newvetco Company (Remotly) , for 1+ years. As a Frontend Developer, I Developed and designed many websites and developed company website, as well as +1 years in As a Freelancer Frontend Developer. I believe that my previous experience, makes me the right candidate for the job.

In my previous role as a Frontend Developer at newvetco company and as Freelancer , I got involved in job market and deal with many different customers , and I worked on developing many websites and improvement of web applications by high-quality designs and optimize it for maximum speed for improve usability for customers.

I have read about your company and I am very excited to be part of your team.

So to wrap it all up, thanks for looking into my application. I hope I can help your company to achieve its goals.

Sincerely,

Nasser Ibrahim Bash
